Forget-me-not

By Michele Scappa

Choreography and interpretation Michele Scappa and Lucas Delfino

Live music Sandro Manzoni

Curatorship Silvia Presenti

A stasis, a waiting, but also a hurry, an urgency.

Bodies that overlap.

Bodies that want to bloom, as the forget-me-not flower does every year.

From one condition to another, from one place to another, from one period of life to another, in transformation.
